

Introduction:

This document is an addendum to the Training Manual prepared for National Agriculture Market (NAM) Portal. The document has been prepared to educate and train the intended end users on the new features that are incorporated in the eNAM application by taking specific reference of the Training Manual to demonstrate the recent features. The process remains same as documented in the Training Manual; new and modified features in addition to it are demonstrated herein through screenshots.

1. eNAM Portal

http://www.enam.gov.in/NAM/home/index.html

The URL link above opens the portal and provides access to information related to the Application, Commodities, Latest updates on Agricultural Trade and other related information

Authorized Users:

- Farmers
- Traders
- Commission Agents
- Mandi Staff (Secretary, Supervisor, Data Entry Operator, Gate Entry Operator, Lab Technician, Weighment Operator, Bid Managers & Mandi Analysts)
- Administrators (Management, Support Team, Technical Team & Development Team)
- Government bodies

Farmers, Traders & Commission Agents are considered as primary stakeholders. They can register online through the portal link and Login for further transactions.

Workflow

NAM Application contains a dedicated work flow that follows specific process. The entire application is categorized in to four groups:

- 1. Administration
- 2. Exit Entry
- 3. Lot Operators
- 4. Auction

Each Category in turn is classified as

- Masters
- Transactions, and
- Reports

Masters contains number of Masters Configuration screens related to transactions. Transaction contains complete workflow related screens and for every transaction corresponding reports that are available in Reports section.

Administration is entirely handled by (authorized) Administrators only taking security grounds in to consideration.

Exit Entry:

Masters:

- 1. Farmer Registration
- 2. Agent Registration

Transactions:

- 1. Vehicle Registration
- 2. Vehicle Gate Entry
- 3. Gate Entry New
- 4. Gate Exit
- 5. Agreement / Sale Bill Cancellation
- 6. CSV File upload
- 7. Registration Notification

Reports:

There are nearly 20 reports available related to Exit Entry transactions. Among these, the most frequently accessed reports are Gate Entry Register & Receipt, Gate Exit Register & Receipts, Weighbridge Receipt & Register, Farmer & Agent / Trader Registration report, Arrival Summary Report, Daily Report.

Lot Operations:

Transactions:

- 1. Lot Management
- 2. Sample Creation
- 3. Assaying
- 4. Approval for Trade
- 5. Weighment

Reports:

Frequently used reports are Lot Tracker, Lot Assaying summary report, Lot Sample Detail, Sample Assaying Result...etc.

Auction:

Master:

1. Sale Agreement for Master Update.

Transactions:

- 1. Bid Creation
- 2. Bid Rejection
- 3. Bid Declaration
- 4. Sale Agreement
- 5. Sale Bill

Reports:

These reports are very important among others. Nearly 30 reports are available for access. Among these, Bid Creation Report, Bid Submission Summary, Bid Opening winner list, Sale Summary Report, Lot Tracker detail report, DAARP Report, Payment settlement report, e-Payment report, Assayed and Traded lot report, Mandi wise agreement type summary report, Sale Agreement, Sale Agreement & Sale Bill Register are frequently used.

Current Enhancements:

Home screen of eNAM Portal gives access to options like:

- a) NAM Common Helpline Number for Support
- b) Users Registration & Login
- c) Language Selection
- d) AGMARKNET Max & Min Prices of all commodities
- e) Previous day Trading details
- f) NAM related videos (Media)
- g) Latest Updates
- h) Commodity Arrival Graph
- i) Commodity Price Graph
- j) Live Mandi Status
- k) Registered Users
- I) Commodity Information along with Assaying Parameters
- m) Quick Links & Useful Links

Below mentioned are the sample screens of live portal referencing above points.

- a) NAM Common Helpline Number for Support: Dedicated Helpline number is displayed on right top of the screen. Toll free number is 18002700224 and mail-id is <u>enam.helpdesk@gmail.com</u>. For Technical support <u>enam.support@ikisan.com</u>
- b) User Registration Screen (Previous version):

Previous version has Personal details, Address details & Contact details only.

Current Enhancements:

- Registration Level State / APMC Level
- Registration Type Seller / Buyer / CA / Service Provider
- Mandating ID proof type and many necessary fields.
- Registration Acknowledgement Type Mail / SMS
- Bank details
- Uploading facility of proofs.
- c) Language Selection:

Earlier only Hindi & English languages were available on portal.

Current Enhancements:

Gujarati, Telugu, Marathi, Bengali, Tamil & Odia are also available. Language can be selected through dropdown list.

d) AGMARKNET Max & Min Prices of all commodities:

Home dashboard contains Commodity Wise Minimum & Maximum prices as per today's market value. This helps Farmers know current market price also, traders will follow the bidding on these updates.
